PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 11/04/2022, 12/07/2022 and 01/06/2023.

On March 23, 2018, an officer with the U.S. Probation Office in Spokane, Washington, reviewed a copy of the conditions of supervision with Mr. Brand, as outlined in the judgment and sentence. He signed a copy acknowledging the requirements.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

10

Mandatory Condition #3: The defendant shall not unlawfully possess a controlled substance. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as directed by the Court.

Supporting Evidence: On or about February 24, 2023, William Brand allegedly violated mandatory condition number 3 by consuming marijuana.

On February 27, 2023, the offender reported to the U.S. Probation Office for random urinalysis testing, as instructed by the undersigned officer. Prior to providing a sample, Mr. Brand insisted on several occasions that he was "clean." He subsequently provided a urine sample that tested presumptive positive for marijuana. When confronted with the results of the urinalysis test, the offender ultimately admitted to the use of marijuana on or about February 24, 2023, as evident by the admission of use form he signed.
